Welcome *Message*

Dear Distinguished Participants,

On behalf of the organizing committee of Ramathibodi International Academic Conference (RIAC) 2024, it is our honor and pleasure to welcome you to Ramathibodi's annual scientific meeting. This meeting, held at the Faculty of Medicine Ramathibodi Hospital, Mahidol University, from September 9-10, 2024, is not just another conference. It's a platform that extends to a full two days with an additional pre-congress workshop on September 8, 2024, focusing on every medical specialty under the theme that is at the forefront of our evolving field: **"Beyond Boundaries: The Intersection of Technology, Innovation, and Healthcare"**.

Top national and international experts are invited to give a lecture, demonstrate the latest innovative research, and deliver updated knowledge. They will also share their experiences and collaborations through plenary lectures, multidisciplinary team discussions, symposiums, and other activities in parallel sessions. In addition, there are two special non-medical sessions by famous speakers.

We would like to express our deepest gratitude to the Dean of the Faculty of Medicine Ramathibodi Hospital, Mahidol University, his dedicated administrative team, our team of Academics and Culture, Ramathibodi Hospital, and our esteemed partners from the industrial and pharmaceutical sectors for their tremendous support.

Last but not least, we extend our heartfelt thanks to all participants of RIAC 2024. Your active participation and contributions are highly valued and crucial to this conference's success. The knowledge and experiences you gain here will enrich your professional journey and significantly impact the future of healthcare. We eagerly look forward to your valuable contributions.

Prof. Sasisopin Kiertiburanakul, MD, MHS
Deputy Dean for Academic Affairs and Culture
